young Americans a good time they are enroute to manhood.
Mr. Orr from Brownville, was with us last week accompanied with that professional instrument.
Mr. Jim Hampton has his teams and stock continually busy these days, if that is not indicative of the good time with us please cite us to it!

Our choir sing is being well attended by the young folks and they deserve encouraging. Let the good work prosper.

Miss Lessie Hollingsworth accomplished and beautiful young lady from Brownville, had a pleasant visit to Mrs. Fielder last week. A handsome Richmond did not leave of this until the eleventh hour. Indications suggested the hour was a lengthy one.

Hal Johnson expects to soon embark into a new enterprise, furnishing wood to the railroad, etc. We predict for him success in this venture.

Miss Royal, the charming sister of our handsome young bachelor, has been quite indisposed recently. We trust the young lady has entirely recovered. Can't see what buddie would do without her. Sister is often the general manager of affairs.

A white man, while grubbing up palmetto on Mr. Ropal's prospective orange grove, inadvertently severed two toes and partly two others from one of his feet. Dr. Moore promptly dressed the offending member and sent him home.

Genial Billy, is well patronized by thirsty folk. His soft drinks are very enticing and if anything that we are more partial to it is the reputation of the same.

On rising this a. m. Capt. Fielders young grove was observed to have many cows among them pinching the young trees. He hastened out in short order, chunked, yelled and prayed a few stanzas. All trespassers vacated promptly.

Mrs. Reynolds has returned from a week's visit to relatives and friends. We are confident Capt. Lee feels that home is now properly adorned.

Uncle Jim Hampton has increased his livery business, having bought three or four new horses. Now boys, I see the ladies smiling, prospective rides.

The Breath of Life.
It's a significant fact that the strongest animal of its size, the gorilla, also has the largest lungs. Powerful lungs means powerful creatures. How to keep the breathing organs right should be man's chiefest study. Like thousands of others, Mrs. Ora A. Stephens, of Port Williams, O., has learned how to do this. She writes: "Three bottles of Dr. King's New Discovery stopped my cough of two years and cured me of what my friends thought consumption. O, its grand for throat and lung troubles."
